WELCOME TO OUR SALE

SKULL CREEK RANCH

We would like to welcome everyone to our 4th Annual Bull Sale with Outlaw Coulee. We have been longtime friends with the Richardson family and it is always exciting to see the final product of our breeding decisions come together with each years catalogue.

We are excited to share our 2-year-old bull pen with you, and believe that this years bulls have been our best to date. We were blessed with a bountiful harvest last year which has felt very rewarding after the years of drought, and hope to see the cattle markets hang on for the foreseeable future. It sure is an exciting time to be in the cattle business!

Feel free to give us a shout or stop by to view the bulls at the ranch any time before the sale. We will move the bulls down to Outlaw Coulee on Sunday if you would like to check them out prior to sale day. If you have any questions on the offering, please do not hesitate to reach out to us or the team at Castle Rock Marketing. We look forward to seeing everyone sale day, and welcome you to come down for lunch, a visit, and some hospitality.

OUTLAW COULEE RANCH

We would like to welcome you all to our 4th annual bull sale that we will be hosting here at the ranch, seven kilometres south of Eastend, SK. We would like to thank everyone for the support in last year's sale, thanks to everyone who bought bulls, bid on bulls and showed interest in our program. The last year has been a very exciting time to be in the cattle business and we are very excited to offer another great set of 2 year old bulls this year. 2025 was our farms 100 year anniversary so that makes 2026 the start of a new century so hope we can start it off with a successful bull sale.

We run our cattle operation with the philosophy that my grade 10 teacher drilled into us, the KISS method KEEP IT SIMPLE STUPID. Following this method, we run our purebred cows alongside our commercial cattle. We turn our bulls out July 9 for 60 days and implant embryos to calve at the same time. We wean all calves the first week of November, pretest cows at this time and sell drys and cull for any foot or udder issues. Bull calves are fed cut hay and 6 pounds of pellets till May and turned out on grass for summer till early November then fed cut hay and 7 pounds of pellets till sale day. We feed a all dry ration with no silage because we feel they should be developed as close to most of our customers feeding programs. The bulls we have on offer will be ready to get out and get your cows bred with ease. We try to present the bulls in a way that what you see is what you get, no feet have been trimmed on our bulls. If any issues arise with your purchase feel free to get in contact and we will do what we can to make it right.

Please consider this your invitation to come out to the sale on March 16th and check out our offerings 2 year old Angus bulls. Feel free to contact us or stop in to view bulls before sale day. We will have coffee and doughnuts available in the morning supplied by K/T Enterprise's and lunch before sale and hospitality after so come on out for a good time.

Thank You - Corrie

BIG FLAT FOLK FEST

**HELD ON JULY 10TH AND 11TH
- OUTLAW COULEE RANCH IS A PROUD SPONSOR -**

OCR 8H - SOLD TO DWANE MORVIK IN 2022, PICTURE FROM SUMMER 2025

A**OUTLAW COULEE RITO 802**

OCR 2F FEB 10 2018 2053931

Rito 802 came to us in dam from Johnson Livestock, we purchased his full brother in Johnson Livestock's 2015 bull sale as a featured high seller and we lost him after his first year breeding, so when the opportunity came up to purchase his dam JL Emblynette 2213 bred to calve with a full brother we jumped on it. Rito 802 stands on an excellent foot, is an aggressive breeder and sires efficient progeny.

**B****PINE COULEE OVATION H309**

IMP 309H JAN 04 2020 2227715

Big bodied and chock full of Angus character with an ultra chill disposition. This Bravo son is leaving his mark as an excellent sire to high quality, light birthweight cattle but the maternal side to Ovation is as strong as they come.

**C****KG JUSTIFIED 3023**

IMP 3023A JAN 21 2013 1876433

A trusted source of short gestation, ideal for breeding heifers! Justified progeny all carry an easy fleshing component to them which in this country is highly valued. Most importantly, his daughters are productive, maternal type females.

**D****DUFF-JC 4REAL 16250**

IMP 1625D FEB 24 2016 2187052

The 4 Real bull packs as much meat and thickness as one can ask for in a modest frame. Plenty of eye appeal and a strong set of feet and legs which we value highly. Again, the replacement heifers will be a ranch mainstay.
